

Dear parent/guardian,

Fountain Gate Secondary College is excited to begin another year of exceptional teaching and learning in 2026. As we prepare for the new school year, we would like to inform you about Fountain Gate Secondary College's voluntary financial contributions that support our school's continued success.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a substantial difference to our school and the programs we can offer.

Within our school, this support has allowed us to provide a wider offering of subjects; enhanced digital learning opportunities; faster WIFI and internet including enhanced digital security, expansion of the CCTV coverage for student safety, upgrades to classrooms including split system air conditioning in all learning spaces, expanded careers team to support diverse student pathways and updated computer laboratories.

We sincerely appreciate your ongoing support, which continues to make a significant difference in the quality of education and opportunities we can provide.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,
